Dear Matt & Judy,

National Statistical Research was established to help the real estate industry track the factors that influence local and national real estate markets. We welcome your thoughts regarding current real estate trends and activities in your area.

Please take a few minutes to answer the questions listed below. Mark your answers, fold the self-mailer so the business reply shows, tape it shut (please do not staple), and mail the self-addressed postage-paid survey back to us. Additional comments and suggestions are welcome. Thank you.

Please mark (x) your reply.

1. How did you select your real estate company?

- Agent
- National Advertising
